AMD Sempron 140 2.7GHz

£33.00

Product Details

Brand	AMD
Processor Model	AMD Sempron 140
MPN	SDX140HBGQBOX
UPC	0730143263016 

Key Features

Clock Speed	2.7 GHz
CPU Socket Type	Socket AM3
TDP	45 W
Processor Quantity	1
Product Type	Processor

Cache Memory

Level 1 Size	128 KB
Installed Size	L2 1 MB

Expansion / Connectivity

Compatible Slots	1 x processor - Socket AM3
------------------	----------------------------

Other Features

Bus Speed	FSB Speed - 4000 MHz
Manufacturing Process	45 nm
64-bit Computing	Yes
Architecture Features	HyperTransport technology, integrated memory controller, Enhanced Virus Protection, AMD Cool'n'Quiet Technology, AMD Virtualization
Platform Compatibility	PC

Miscellaneous

Package Type	AMD Processor in a Box (PIB)
--------------	------------------------------
